

**Connecticut Urology Society
Annual Meeting**

March 11, 2011

**The Aqua Turf Club
556 Mulberry Street, Plantsville, CT**

The mission statement of the Connecticut Urology Society is to serve, represent and advance the science and the ethical practice of Urology in the State of Connecticut. The Society promotes excellence in patient care and education in Urology through the sponsorship of semi-annual meetings. The Connecticut Urology Society is dedicated to providing communication and fellowship to the members of the Urologologic Community in Connecticut through these meetings, providing updates on clinical care, scientific research, and patient advocacy.

Connecticut Urology Society
Annual Meeting & Scientific Program
Agenda
March 11, 2011
The Aqua Turf Club,
556 Mulberry Street, Plantsville, CT

8:00 Registration - **Breakfast** with the Exhibitors

8:20 Opening Remarks – Milton Armm, M.D.

8:30 **New Bugs, New Drugs & The Upper
Urinary Tract**

- Grace Kim, M.D.

Objective: Review of renamed and virulent bacteria often involving upper urinary tract and newer antimicrobials and their role in Pyelonephritis/UTI/sepsis.

9:30 **Infectious Genital Ulcers and Rashes:
HSV, VZV, Syphilis, LGV, Chancroid,
Donovanosis, HPV, trich**

- Jeff Gilbert, M.D., Medical Director for STD Center for Excellence, The University Hospital for the Albert Einstein College of Medicine

Objective: Teaching will be done with a combination

of case studies and lecture. Individual patient slides will be viewed and discussed. At the end of the program participants will: 1. Be able to recognize both typical and atypical lesions of HSV: clinical presentation of vesicles, pustules, ulcers, crusts vs. excoriations, folliculitis/furunculosis, erythema, urethritis, 2. Be able to recognize HSV lesions in HIV positive patients: nodules, granulomas and plaques, resistant HSV lesions and 3. Understand and recognize ulcerative STD's : syphilis, chancroid, donovanosis, LGV.

10:30 **Coffee Break**

11:00 **Genital Dermatology: Non-Infectious Causes**
- Jeff Gilbert, M.D.

Objective: Participant will be able to recognize non-venereal genital problems: aphthous ulcers, Behcets disease, fixed drug eruptions, psoriasis, allergic reactions.

12:00 **Lunch** with Vendors

1:00 **Business Meeting - Legislative Updates and National News**

1:30 **Evaluation and Management of the Infertile Male**

- Gerald Matthews, M.D.

Objective: The pathophysiology of male factor infertility will be presented. Participants will receive a step by step overview of the clinical management of the infertile male (couple). Focus will be placed upon diagnostic testing and therapeutic interventions.

2:15 **Health Care Reform: What it Means to You and Your Practice**

- Kennedy Hudner, Murtha Cullina

Objective: Participant will get an intense overview of the new federal healthcare reform legislation passed by the Obama administration in March of 2010 and what's important in this landmark legislation.

3:00 **Coffee Break**

3:30 **New Managed Care Contract Language – What it All Means to the Physician**

- Wendy Kroll

Objective: As a result of this presentation, an audience of physicians will understand managed care contract terms and arrangements.

**4:30 Adjourment - Milton Armm, M.D.
CME Certificates and Door Prizes**

This activity has been planned and implemented in accordance with the Essentials and Standards of the Connecticut State Medical Society through the joint sponsorship of CSEP and The Connecticut Urology Society. CSEP is accredited by the CSMS to provide continuing medical education for physicians.

CSEP designates this educational activity for a maximum of 5.5 credit hours in category I credit toward the AMA Physicians Recognition Award. Each physician should claim only those hours of credit that he/she spent in the activity.

JEFFREY GILBERT, M.D.

Jeffrey Gilbert, MD, is the founder and medical director of the STD Center for Excellence located at Montefiore Medical Center in the Bronx, New York. The facility is also the New York State Training Center for Sexually Transmitted Diseases (STDs). He received his medical degree from Albert Einstein College of Medicine, Bronx, New York, and is board certified in internal medicine. He has been practicing for 33 years and has specialized in sexually transmitted diseases for the last 28 years.

He is the author of the children's book, *Milton's Moment*, from which he uses funds to help support various charities. He is also a recognized driftwood artist, having created over 5000 pieces from his walks along the shores of the Hudson River.

H. KENNEDY HUDNER, J.D., PARTNER

Mr. Hudner is the Chair of the Business and Personal Services Department at Murtha Cullina, and has been a member of the firm's Health Care Practice Group for over 15 years. He provides legal advice to hospital and physician clients in the areas of Medicare billing assignment issues, Fraud and Abuse (Stark II anti-referral and anti-kickback), and HIPAA medical records privacy compliance matters. He also represents hospitals and physicians with regard to managed care contracting issues and payment disputes, and in Certificate of Need applications

before the Office of Health Care Access. He has extensive experience in the analysis, negotiating and drafting of a wide variety of health care-related contracts. These include documents required for physician hospital organizations, independent practice associations, management service organizations, medical staff bylaw documents, radiology service agreements, laboratory service agreements, and physician provider agreements, both with IPAs and with payors (fixed fee, risk sharing and capitated). Mr. Hudner also represents physicians and hospitals in their dealings with regulatory agencies such as the Department of Public Health, the Department of Justice, Office of Inspector General and the Nuclear Regulatory Commission. His health care litigation experience includes representation of hospitals in proceedings before the Office of Health Care Access, medical staff credentialing disputes and health care-related antitrust litigation.

Mr. Hudner is Special Health Care Counsel to the Connecticut Medical Insurance Company. He has lectured on Stark II, Fraud and Abuse, HIPAA privacy and Medicare compliance issues, as well as antitrust, contract and physician integration issues to the Stamford Medical Society, Danbury Medical Society, Fairfield County Medical Association, Connecticut Ophthalmology Managers Association, Connecticut Medical Group Managers Association, the Connecticut Society of Eye Physicians, the Hartford and New Haven County Medical Associations, the Connecticut Society of Dermatologists and the Massachusetts Bar Association. Bar & Court Admissions: State of Connecticut, U.S. District Court, District of Connecticut, Commonwealth of MA.

Professional Associations & Memberships: National Health Lawyers Association, American Bar Association Health Law Litigation Committee. Awards & Achievements: Best Lawyers in America, Health Care Law.

GRACE P. KIM, M.D.

Dr. Kim received her medical degree from Northwestern University School of Medicine in Evanston, IL. She completed her Internal Medicine Residency training at St. Vincent's Medical Center in Bridgeport, CT. She went on to a fellowship in Infectious Disease at Yale University School of Medicine. Upon completing her fellowship, she became hospital epidemiologist at St. Vincent's Medical Center and was Chief of the Division of Infectious Diseases at St. Vincent's from 1997-2005. Dr. Kim continues to be full-time staff as an Infectious Disease Specialist and also is an attending at a teaching ID clinic for the community.

WENDY L. KROLL, J.D.

Wendy Kroll's practice focuses on health care law including claims submission and payment issues for managed care, Medicare and Medicaid. She counsels health care providers and corporations on managed care contracting, reimbursement, government audits, false claims, Medicare and Medicaid regulations, fraud and abuse, HIPAA, and other health care matters. Ms. Kroll was in-house counsel for a fortune 100 health care corporation overseeing claims submission and adjudication, government audits, Corporate Integrity Agreement compliance and provider contracting. Prior to law

school, she held the position of President and Executive Director for managed care organizations.

Ms. Kroll received an award for Excellence in Clinical Work for a one year internship with the Office of the CT Attorney General's Health Care Fraud, Insurance Advocacy and Whistleblower Unit. She has written papers on and testified before the CT Public Health Committee on the state action immunity doctrine allowing physicians to collectively negotiate managed care agreements and downstream risk arrangements in managed care contracting.

Ms. Kroll is admitted to practice law in New York. She received her J.D. and a Health Law Certificate from Quinnipiac University School of Law. She is a member of the American Health Lawyers Association, New York Bar Association and participates on the American Bar Association's Breast Cancer Legal Advocacy Workshop Committee. Ms. Kroll provides pro bono legal services for patients denied medical benefits for breast cancer treatment and for the Susan B. Anthony Project.

GERALD J. MATTHEWS, M.D.

Dr. Matthews is an Assistant Professor of Urology at New York Medical College. He is the Director of the section of Male Reproductive Medicine & Sexual Dysfunction at Westchester Medical Center. He is also the Chief-of-Urology at Metropolitan Hospital Center in New York City. He received his undergraduate degree from Emory University and his MD from New York Medical College. His

received his pre-urology general surgery training here in Connecticut at St. Francis Hospital and Medical Center. He completed his urology training at Lenox Hill Hospital in New York and then an American Foundation of Urologic Disease sponsored fellowship at New York - Cornell and The Rockefeller University.
